Attention: Health & Welfare Committee

This year, the Teamsters Local Union 879 is hosting the 2<sup>nd</sup> Annual Christmas Food Drive for the Inn of the Good Shepherd in Sarnia, Ontario. We will be working in conjunction with this Organization and your Company to raise money to purchase food for the thousands of less fortunate families in the Sarnia and surrounding area.

There are many programs that this organization runs, including the soup kitchen, food bank, housing assistance, free clothing and household needs, lodging for youth, lodging for up to 16 adults per night, help with income taxes (completed 1900 last year), backpack program where they provided 500 children with school supplies, mobile market where they provide fresh vegetables to their clients at 11 different locations in the county from July to October of each year, and so much more.

We are suggesting/requesting a donation of \$500.00 be made pay payable to Teamsters Local 879 Christmas Food Drive.

We appreciate your consideration in this very worthwhile cause at this special time of the year.

Respectfully,

*Martin L. Taylor*
