Hamilton Mountain Federal Liberal Nomination Candidate

To: All Hamilton Mountain Union Members;

My Name is Shaun Burt. I am respectfully asking for your help in achieving the goal to be your next Hamilton Mountain Federal Liberal Candidate.

Briefly, I am a Father, High School Economics Teacher, Coach and staunch Union representative and supporter. I have lived on the Hamilton Mountain my entire life. I am an honest, dedicated, straight forward, hard working, team player who strongly believes in core union values, economic growth and a 'can do' enthusiastic approach. Having being raised by a Father who was a loyal member of the I.B.E.W. for 30 years. I personally know the struggle we are fighting, I do not want to take a political badgering stance but simply put the Harper government has to go. I personally like our current NDP Incumbent but, the fact remains that the NDP has lost considerable amount of support. I believe they will be reduced to an insignificant third party as we have recently witnessed in the provincial elections. So It is extremely important that we have someone you can trust to represent you, to fight to instill policies, such as Bill C-201, Trades Person tax credits, and to reverse harmful bills such as Bill C-4 which undermines the health and safety protections in the Canada Labour Code. My main objective if nominated is to create JOBS and to protect your fair wage system for our union workers. We have no shortage of skilled trades workers, but a shortage of skilled jobs. Straight up, I am one of you, I can relate to your needs and by nature I am a problem solver. Real people are needed to be your strong voice in Ottawa. It would be an honour and a privilege if you gave me the opportunity to be that person. I can only achieve this goal with your support so I do need your help as signed HMFL members before the late September cut off date.

Please take a moment to contact me via email and or direct number set below. I will be happy to come to your house to introduce myself personally and answer any questions you may have. I have included a copy of a Hamilton Mountain Membership please take a moment to sign your name in support and return to your Local in the pre-stamped envelop provided.

Your help and support in this matter goes well beyond words. I can only truly thank you by creating action and accomplishing goals that we set together.

I look forward to meeting you all very soon.

Sincerely,

Shaun Burt
