

CANADA COUNCIL OF TEAMSTERS CONSEIL CANADIEN DES TEAMSTERS

August 25, 2015

Dear Sisters and Brothers,

Your Bargaining Committee would like to update you on the ongoing negotiations with your employer.

The Bargaining Committee met for the entire week of August 17th in Ottawa and, although progress was made in respect to all areas of our bargaining demands, we were not able to conclude the meetings with an offer.

The Bargaining Committee is committed to bringing our membership the best contract possible. Therefore, we are scheduled to resume negotiations the week of September 14th.

There will be membership meetings and votes scheduled forthwith following these meetings.

Please advise your Local Union of any address changes or updates and watch for notices pertaining to upcoming meetings and votes.

Thank you for your support.

In solidarity,

Richard Eichel
Chairman of the UPS Negotiation Committee
