

CANADA COUNCIL OF TEAMSTERS CONSEIL CANADIEN DES TEAMSTERS

VOTING INFORMATION

Voting on the tentative agreement between Teamsters and Purolator will take place from Friday, April 21 at 4:00 pm (ET) until Friday, April 28 at 4:00 pm (ET).

Your entire negotiating committee – in other words, your local union officers, business agents, and stewards – is unanimously recommending that you accept this tentative agreement. Rejecting the tentative agreement authorizes the union to take strike action.

We've once again made arrangements with a third party to conduct the vote online and by telephone.

Voting instructions containing your PIN along with the eVoting website and phone number are being mailed on Thursday, April 13. This is a confidential, secret ballot vote.

Please contact the toll-free voter helpline if you require any assistance.
