**Re: Labatt Brewing Company and their Imported Products**

Attached is a copy of the news release from the Newfoundland and Labrador Association of Public and Private Employees (NAPE) regarding the above boycott.

It advises that the workers at the Labatt plant in St. John's have ratified a new collective agreement, ending an eleven month strike and that the boycott has been lifted.

On behalf of NUPGE/NAPE, I wish to thank you and your membership for supporting this boycott.

In solidarity,

Kenneth V. Georgetti
